Experience

August 2025 - December 2025
SCWA Content Creator (Internship)

Captured high-quality aerial photos and videos using drones and created custom graphics and visual content using Adobe Creative Suite. I collaborated with the marketing team to develop content strategies and ensured all visuals aligned with brand guidelines. I also managed post-production workflows to deliver polished content for digital and print platforms.

December 2021 - August 2025
**Cherokee County Sheriff's Office
Graphic Design (Freelance)**

Create ads, social media content, and custom emblems.

May 2024- July 2024
Upmarket Media (Internship)

Assisted in the design and creation of visual assets for digital and print media, including websites, social media graphics, brochure and advertisements. Utilized Adobe Creative Suite to execute design projects, ensuring consistency with brand guidelines and project objectives.

June 2023 - July 2024
**Cherokee County Tax Commissioner
Graphic Design (Freelance)**

Designed layouts for email headers, ensuring mobile responsive and visually engaging content. Created informational fliers to be distributed through the county.
